"This is a delightful collection of stories, research, experiences from play practitioners across multicultural contexts. What is most fascinating about this play potpourri is the range it is able to cover, from children as play experts in co-research to use of play in classroom, work place, health space to play as core medium for healing and therapy. This innovative handbook by Sue and Clive is an ultimate encyclopedia on play that will be treasured by therapists, teachers, paediatricians, parents and play campaigners across the world for many generations." - *Shelja Sen, Family Therapist*

Routledge International Handbook of Play, Therapeutic Play and Play Therapy

Edited by **Sue Jennings** and **Clive Holmwood**

Routledge International Handbook of Play, Therapeutic Play and Play Therapy is the first book of its kind to provide an overview of key aspects play and play therapy, considering play on a continuum from generic aspects through to more specific applied and therapeutic techniques and as a stand-alone discipline.

Presented in four parts, the book provides a unique overview of, and ascribes equal value to, the fields of play, therapeutic play, play in therapy and play therapy. Chapters by academics, play practitioners, counsellors, arts therapists and play therapists from countries as diverse as Japan, Cameroon, India, the Czech Republic, Israel, USA, Ireland, Turkey, Greece and the UK explore areas of each topic, drawing links and alliances between each. The book includes complex case studies with children, adolescents and adults in therapy with arts and play therapists, research with children on play, work in schools, outdoor play and play therapy, animal-assisted play therapy, work with street children and play in therapeutic communities around the world.
